

14 days OF LOVE!

Treat the women in your life to a beautifully wrapped gift each day in February leading up to Valentine's Day! I will wrap each gift with a gift tag and a place for you to write a note if you choose to! {Each day you could write a reason why you love her}

You can put the gifts in a vase as a bouquet, or a basket for her to open one a day, or you can leave one somewhere special each day for her to find. You can choose from my preset gift bundles ranging from \$115-\$300+ or you can customize your own!
