HELP ME, HELP YOU!

I am so excited to partner with you to create the ULTIMATE PAMPERING EXPERIENCE for your friends and help you get all the FREE PRODUCT you deserve! Thank you in advance for your role in making your event a success! I truly consider us partners and will do everything I can to make this a FUN, RELAXING, REWARDING experience for you and all your guests!

Here are a few key things below that are important to making your party a success!

Knowing WHO to invite: The more women you share your facial with the more free product you earn! Invite more women than you would like to have there, some won't be able to make it and you want to be sure to have the number you desire! Remember to invite women over 18 and let them know its a women only event (you will have better results without distractions from young children) Invite women who will love the products and pampering like you do! Remember the more successful your party is with bookings and orders the more you earn in FREE!

Invite send out: Get your List to Me! The invite process could not be easier! E-mail me a list of everyone you want to invite (names, numbers and email addresses) within 48 hours of booking your appointment and I will send out a professional looking email invite to all your guests! Its easy! I take care of all the work for you!

Confirm + Turn in Guest List: We will set the RSVP at least 3 days prior to your event. Check in with everyone you haven't heard from to see if they can make it and confirm with those who are coming to thank them and let them know their attendance is important to you! Let them know that you are counting on them and it is important they are on time. (Their attendance helps you earn free!) Keep track of your guest list on the sheet provided and turn into me (you can text/e-mail me a picture) 48 hours in advance to earn one of your \$25 Credit Bonuses!

Outside Orders: You have the chance to earn more FREE Product by collecting sales before your party from those who cannot attend! The more in outside orders you receive the more you get FREE!! Simply ask anyone who cannot attend or other friends and family if there is anything they need or if they want to look at a catalog or on my website.

OPTIONS FOR COLLECTING ORDERS

Online Sales: Direct them to my website so they can shop and submit their orders. You get credit when they put your name in the comment section. Have them report the total back to you, and then add it to the tracking sheet provided (so you can be tallying up all the FREE product you will earn)

Sales Tickets: There are sales tickets included. Have them fill out the ticket completely with all of their personal information (Name, number, email, address etc. It is important for me to have this information in case I have any questions about their order) and their payment information (credit or debit card). They simply write down the name and price of products from the catalog. Remind them their will be local sales tax charged to their order but no shipping charge.
